1. In your memorandum (Reference (A)) you called attention to a suspension of [REDACTED] because of unauthorized disbursements, irregular accountings, and lack of adequate financial reporting on behalf of subject project. 2. Upon receipt of your memorandum, I requested the Comptroller to make an initial review and analysis of the financial aspects of this project and to prepare a briefing for my action. Reference (B), attached hereto, is a copy of his Staff study.

3. I have made a careful analysis of the circumstances surrounding this project, and, considering our accounting treatment for CIA payments made to the project and expenditures incurred by the project, I concur in your recommendations that: (a) Available documents and explanations be accepted for the disbursement of [REDACTED] (Project) as acceptable accountings for the expenditures in question subject to final audit of the project by the Auditor-in-Chief; and (b) The Auditor-in-Chief conduct an audit of the project, including the cover business, as soon as is practicable.
